A big hand of appreciation is in order for the Cub builders. The Cub has been sold. The Cub project was another good example of what our Chapter is all about. To all who worked on the Cub, Thank You. The fellow who purchased the Cub received a beautiful aircraft.

Don't forget about the Hangar Dance. Hope you can attend this lively Club activity. It has become a memorable Fall evening for our members and friends with a delicious dinner and renowned band. So long for now, see you at the meeting.

August

Meeting Minutes: There was no formal meeting due to the fun and games of our Picnic, but President Plourde did have a second reading of our Proposed Bylaws addition, and they were unanimously approved.

Picnic: A large turnout for Dalton's August Picnic provided delicious food and great participation in our games. The use of our golf carts made the Scavenger Hunt great fun and involved young and old. Our experienced Chefs, Gary Hopcraft and Jeff Fallis grilled great hot dogs and hamburgers outside and delicious salads, potatoes and desserts filled the tables inside.
